### General Notes on Membership

Ardleigh Sailing Club is a friendly, family orientated club with an emphasis on safety. With this in mind all members who sail their boats from the Club are required to maintain third-party public-liability insurance of at least £2,000,000 per boat. The insurance must relate specifically to the boat or boats in question rather than be part of a general household insurance policy.

It is members' responsibility to ensure that their boat/s has adequate buoyancy and is tied down to the anchor pegs provided at their berth. Please also keep the area around your berth tidy and the grass cut.

Membership of Ardleigh Sailing Club is by election. Once your membership has been proposed and seconded there will be a short time whilst your details are displayed on our notice board for members to view. Should the Committee not receive any valid objections from existing members then your membership is ratified by the Committee and you become a member or members in your chosen category.

Once membership election is completed you will receive one of our welcome packs with your boat sticker (if applicable) and a copy of our club constitution. All members' boats must carry a valid sticker for the current year of membership. The sticker should be on the transom of the boat and visible when the cover is fitted to the boat. This is so the club can check that Boat Registration has been paid.

Each member is required to undertake two duties for the club during the year. These could be Officer of the Day, Assistant Officer of the Day, Galley, Safety Boat Cox, Safety Boat Crew, or assisting with training fellow members. The club offers basic instruction in Race Box and Safety Boat duties

Please indicate below if have a preference for a duty, or preferred date(s):
