

Maintenance And Training Weekend

Maintenance (26th & 27th September)

10am Start

Come along and help with various tasks to get the club back into shape after the summer. Dress in old cloths and bring any tools which may be useful for general maintenance tasks. Free tea, coffee and lunch will be provided.

Basic safety boat (Sunday 27th)

10am-1pm

The course is structured around the RYA's Level 2 and Safety Boat Syllabuses, teaching you the vital skills you will need when performing rescue duties. This is the perfect course for members who want to improve their competence or have never used a Power Boat before.

Advanced Safety Boat (Sunday 27th)

1pm-3.30pm

This will focus on rescuing two different crafts, towing, crew entrapment and emergency first aid, all things which you are not taught in the Level 2 syllabus. To be eligible for this course you need to either have Powerboat level 1/2; attended Ardleigh's course or be able to confidently handle a powerboat.

Race Box Training (Sunday 27th)

12 noon start, and will cover all aspects literally from start to finish

I need to make sure we have sufficient instructors so could anyone who is interested in training Email or Phone me, Details Below.
